

June –July 2020

Hi Year 5, I hope you're all ok and managing to do a little bit of work each day, please find attached timetables for the next 4 weeks.

I've really enjoyed talking to you when I ring home and hearing how well you're all doing. I will continue to keep in touch until the end of term. I'm very proud of class 5 for continuing to do work at home. If there is any work you are really proud of and would like to share it please e-mail it to the school with my name on it and I will display it on the class blog for everyone to see. Also, there are some craft ideas on the class blog if you are feeling bored and want to try them.

Over the next few weeks, I would like to give you the opportunity to start a research project of your choice, something that interests you. Or if you would like to research about recycling and find lots of interesting facts about why we must continue to recycle and look after our planet. Also there are craft ideas around recycling on the blog.

| | | | | | |
|--------------------------------|--|------------------------------------|---|---|--|
| Week: 22.6.20 | Maths (10 mins-30 mins) | Reading (30 mins) | | G.P.S | Crafts/project work use internet to research. |

| Friday | Hit the button- Halves and doubles | Online reading plus | G.P.S booklet Pg 39-40 | Play a game with your family. | |

Monday 29th June 2020

Reading Plus is still very important; please complete it daily or every other day for 20 minutes. This will help improve your reading skills ready for year 6.

This week continue with your research project, sketch some things from nature e.g. Flowers, trees, bugs. Send me a photograph of them and I will upload them onto the blog. Also send me your design logos. Remember there are lots of fun Maths games to choose from on www.topmarks.co.uk

Enjoy your weekend, go for a bike ride, wash your parents' car or make up a game in your garden for all the family. Keep smiling year 5.

Monday 6th July 2020

Wow another week! We can do this, stay positive. Continue to do Joe Wicks or Cosmic yoga on a morning to help you start your day positively.

Continue a couple of pages a day in your maths, GPS and Reading CGP books. These are the style of questions you will face in year 6, its great practise for you.

Monday 13th July

Wow this is the last week of term; I would just like to tell you how proud I am of you all. I thoroughly enjoyed the time we spent together in Year 5 and would like to wish you all the best in Year 6. Please keep up the fantastic work and attitudes to learn. I'm only at the end of the corridor and look forward to seeing you all in September.

| | | | | |
|--|--|--------------------------------|---------------|---|
