

Year 3/4 work at home timetable for week beginning 13.7.20

Hi everyone! Well, this is the last timetable from me to you. As always, I hope you are still working as hard as you can at home and you are all behaving for those you live with and are helping at home as much as you can. Although we have been off school for so long, the Summer holidays are now here. Remember to enjoy your time with your family but because we have missed so much school, we need to continue to do school work when we can. Remember to read daily, do some times tables practise, and above all, remember to look after your mental health and look after each other. If you are in my class next year, I cant wait to see you and get back to normal. If you are moving on to a new class I wish you a wonderful and happy summer and I will be expecting waves and smiles around school and on the yard. You have been a lovely class and I have thoroughly enjoyed being your teacher!

Here is a link to lots of free resources <https://www.cgpbooks.co.uk/primary-resources>

You have workbooks for maths, GPS and reading. You should be doing a page in each daily.

Please stay safe and I hope to see you all again very soon. Mrs Taylor ☺

English	Maths	Health and Wellbeing	Extra fun stuff!
Spellings: Log on to your Spelling shed account and complete levels 1 and 2. You could even challenge yourself to medium difficulty!	Maths Shed: Long on to maths shed and practice your bonds, your addition and subtraction, multiplication and division and your times tables. See if you can challenge yourself on the next difficulty.	P.E. : Stretch and relax with this yoga sequence. https://www.youtube.com/watch?v=inyw6mM4xTU	New year... Make a list of your hopes for the new year with your new teacher. Write down what you hope to achieve and what you want to change from last year.
Reading: As well as reading plus (or as an alternative) you should be reading your own books/school reader for at least	Times tables: Log in to Times tables Rockstarz and practice your times tables. You could play a gig with a	Mindfulness: Using your portrait sketch from your art, write at least 10 things	Can you think of your favourite moments in class 3/4? What were they? Write them down in your work book.

<p>10 minutes once a day. Mams, dads and relatives could be asking you questions about what you are reading to quiz you.</p> <p>Phonics play is available for those who are struggling with sounds.</p> <p>https://www.phonicsplay.co.uk/#</p> <p>username: march20</p> <p>password: home</p>	<p>friend from our class over the internet!</p> <p>Remember to practice the inverse of our times tables. Knowing the division fact as well as the multiplication e.g. $3 \times 5 = 15$ $5 \times 3 = 15$</p> <p>$15 \div 5 = 3$ $15 \div 3 = 5$</p>	<p>that you like about yourself around your portrait. This could be things like your eyes, your smile, your funny etc.</p>	<p>What have you really enjoyed? What lessons have you enjoyed the most?</p> <div data-bbox="1503 288 1659 424" data-label="Image"> </div> <p>Yellow hat - positive thoughts.</p>
<p>Reading Plus:</p> <p>For those of you with access to Reading Plus, keep reading your 5 books a week including a vocabulary session as well.</p> <p>Make sure to keep trying to get that 80% mark! You are working so hard I know you can do it. 😊</p>	<p>My Maths: log on to My Maths and play the learning videos for fractions which would have been our next focus in maths. Play some of the activities and have fun! If you would like to continue with fractions, please do to build your confidence. If not, recap addition, subtraction, multiplication and division.</p>	<p>R.E.:</p> <p>Draw a big heart in your workbook. Inside the heart write down or draw all of the things that you love and that are important in your life.</p>	<p>Art:</p> <p>Draw/Sketch a portrait of yourself. Use a mirror or a photo of yourself to sketch all of your special features. Make sure to take care and not press too hard with your pencil.</p>
<p>CGP work books</p> <p>You have some new maths, GPS and reading comprehension booklets to be working through. You should be doing a page of these daily including one of the online maths and spelling activities.</p>		<p>Make a list of activities you can't wait to do over the summer holidays. What have you been looking forward to doing during lockdown? Who are you looking forward to seeing and playing with once we get eventually get back to normal? Why is this so important to you?</p>
