

Year 4/5 Work at home timetable W.B 13/07/20

Hello everyone, hope you are all safe and keeping. Here is your weekly plan, please do what you can. I hope you and all your family are all staying safe. I hope to see you all soon. Take care, Miss Smith ☺

Literacy	Numeracy/Maths	Health & Wellbeing	Other Areas
<p>Spelling: Log onto your Spelling Shed account and complete spellings from at least level 2 and 3. Try to complete a range of activities on spelling shed.</p> 	<p>Log onto your times table rock stars account. Practice a range of times tables trying to get quicker each time. Try to complete a mixture of your timetables.</p> <p>I will be able to see your activity and progress.</p>	<p>P.E: Now football is back on the TV have a go at practising your dribbling skills around obstacles you might have in your garden. Thinking about using different sized balls to make it harder or easier.</p> 	<p>Expressive Arts: Using only a pencil find a picture online of our school and have a go at sketching the front of the school. Use the pencil in different ways to add shading and light and dark areas.</p>
<p>Reading: Log onto Reading Plus and complete your weekly 5 books and 1 vocabulary. This can be accessed on both a tablet or phone device. As well as computers and laptops. Remember the site code is rpannf.</p>	<p>Fractions: Write down all of the equivalent fractions for these fractions thinking of as many as you can</p> <p>1/2 1/4 3/4 1/3 1/5</p>	<p>Well-being: On Monday morning, write your goals for the day. What would you like to achieve today? In the evening, complete a reflection for the day and think about how well it went.</p> <p>Did you meet all of your goals?</p>	<p>Mindfulness: Choose someone in your family and without telling them, do 3 nice things for them, or pay them 3 compliments.</p> 
<p>Keep working your way through your CGP books completing the next story and questions in your reading book and trying to complete the next 5 pages of your GPS book. When your completing your books its also a good chance to practice your handwriting using a pen.</p>	<p>Log onto My Maths. Focus on recapping the work we have recently completed on all four of the operations. Looking at equivalent fractions, adding and subtracting fractions.</p>	<p>Transition: Produce a about me information profile for your new teacher. Even if your staying in the same class some information might have changed. Include siblings, likes and dislikes, hobbies and interests.</p>	<p>R.E Think back to the ten commandments work we did in R.E last term see how many you can remember without looking on Google. Then use Google to check they are correct and add in the ones you are missing.</p>
	<p>Try and complete the next 5 pages of your maths CGP book showing working out where asked. Remember the answers are in the back of the CGP books so an adult can check them for you.</p>	<p>Observe: When you are outside. Play Alphabet Bingo - can you spot an item in your house beginning with a, b, c etc - all the way to z!</p> 	<p>ICT: Have a look at our school website and look at the competitions we are running over the summer holidays you could take part in.</p>
