

Summer Holiday Homework Booklet

Name:

Hello!

Over the summer holiday there are a few things you could be doing, to be ready for the new school year.

Times tables Rock starz

Log on to times tables rockstarz to start practising your times tables. Your times tables are super important and will help you a lot in maths.

SUMMER READING CHALLENGE

You can read books at home and you can also use the following free online reading websites.

<https://www.oxfordowl.co.uk/for-home/find-a-book/library-page/>

<https://www.booktrust.org.uk/books-and-reading/have-some-fun/storybooks-and-games/>

<https://www.freechildrenstories.com/>

Use these websites to read some great stories. Make sure to read fiction, non-fiction and poetry. You should be aiming to read for around 30minutes at least 5 times per week. When you do some reading, make sure you write down on the next page what you have read, how many pages you read and get an adult to sign. You will earn a house point for every time you read.

The person who has the most reading will win the Reading Challenge and will receive a prize!

Art Competition

Try using recyclable materials you have in the house to create something interesting such as an animal or a bird feeder. Look at the images for inspiration.
