Dear Parents / Carers,

I recently wrote to you advising that our Governing Body had passed a resolution for our school to convert to academy status and join Stanley Learning Partnership.

Under normal circumstances, the next step in the process would be to hold a consultation meeting where representatives from Stanley Learning Partnership would answer all of your questions. Despite being unable to do this at the moment, it is still important you are given the opportunity to share your views with us.

Together with SLP we have created a consultation booklet which can be accessed via [www.stanleylearningpartnership.co.uk/our-community-of-schools/consultation/](http://www.stanleylearningpartnership.co.uk/our-community-of-schools/consultation/). Here you will find information as to what an academy is and the immense benefits this will offer both our children and staff.

If you have any questions or feedback please send them before 5pm on Friday 8th January 2021 to [enquiry@stanleylearningpartnership.co.uk](mailto:enquiry@stanleylearningpartnership.co.uk) using the subjected heading 'Consultation Query' followed by our school name. Please be aware, that whilst you will not be named, collective responses will be shared with all school and SLP stakeholders.

I would like to take this opportunity to thank you for your unwavering support and look forward to embarking on this new chapter together.

Kindest regards,

*G. Burgess*
